

May 2017 Newsletter

Warmer weather is here and school will be ending in the coming weeks. Many of us will travel on vacation and attend community events. Please be cautious while on the road. Traffic injuries and deaths are rising and we need to reverse this trend by putting down phones and not being distracted.

Later this month, we will have many opportunities to remember our fallen soldiers on Memorial Day. There are several events in Roswell, Alpharetta, Milton, Woodstock, etc. to attend. You can find more information on my website at: senatorialbers.com.

Ryan is wrapping up a great freshman year at Roswell High School and will be attending the Northern Tier High Adventure camp for Boy Scouts this summer. Will is working while finishing up his final two semesters to graduate from UNG. Kari and I are enjoying some of the nice weather with friends and family.

June 20th Election

On June 20th we will go to the polls again to fill the sixth congressional seat vacated by now Secretary of Health and Human Services Tom Price. This runoff election will determine our newest member of congress to represent our community. There are two people in this race. One does not even live in our district or share the values of the majority of residents. For these reasons and many more, I am proudly supporting Karen Handel. She has a track record of serving people and getting things done. Karen knows the people, lives in the district and will make us proud in Washington.

A Community Icon - Jerome Huff

It was a sincere honor to recognize Principal Jerome Huff at Roswell Rotary. He is a legend in our community and will be retiring at the end of this school year. He served as a principal at Roswell North Elementary, Elkins Point Middle and Roswell High School. He blessed so many students, parents,

teachers and staff. Thank you Principal Huff!

I-85 Update

Tremendous progress is being made to replace and repair the I-85 bridge near Piedmont Road.

The Georgia Department of Transportation has committed to reopen the Interstate by June 15, 2017. With continued hard work and prayer, it may be open in May!

Maps for detours and other helpful information can be found at: [Georgia DOT](http://www.ga.gov/GeorgiaDOT)

Introducing Macy McFall

I was blessed with tremendous support over the years. Both Diana and Jenny helped countless constituents and made a tremendous impact.

I have moved offices to suite 421 in the Capitol and am very excited to have Macy McFall supporting me now. Her contact information is listed below.

North Fulton Relay for Life

Please consider joining us and support this great event to raise money to celebrate those who have battled cancer, remember those we have lost, and fight back against this dreaded disease.

Saturday, May 13th, 4-11 pm
Webb Bridge Middle School in Alpharetta

National Day of Prayer

Each year we come together to pray for our country and our citizens for our Father's wisdom and guidance in these unprecedented times of beliefs and behaviors that are seriously engaged in obstructing and violating the principles on which our great nation was founded on.

Thursday, May 4, 2016 @ 12:00 noon
Roswell City Hall

Congressional Youth Council

It was a privilege to speak to our future leaders at the RHS Congressional Youth Council. I was very impressed and want to thank Whitney Williams for organizing and leading such a wonderful event. These students are our future and it is very bright. Thank you to the school, teachers and parents for helping make this a success.
