Welcome

It has been another beautiful fall in Georgia. It reminds us of the changing seasons and wonderful blessings we all share in our great state. Like you, I will proudly cast my vote to keep Georgia the #1 place to live, work, play, and raise a family.

My wife Kari and I are enjoying being “empty nesters” with our boys getting older. Our youngest son Ryan is 20 and doing very well in college. As we look forward to Thanksgiving, I am excited to see family and friends. We have a tradition in our family to go around the table and say what each of us is thankful for in our lives and family.

Early Voting & Election Day

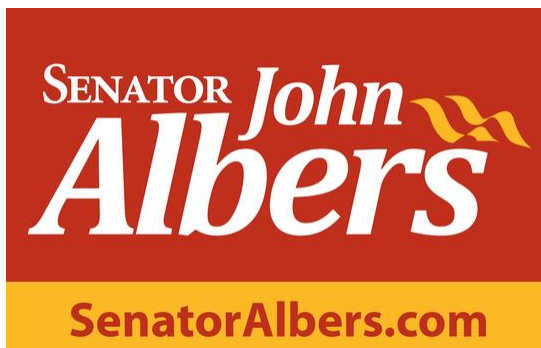

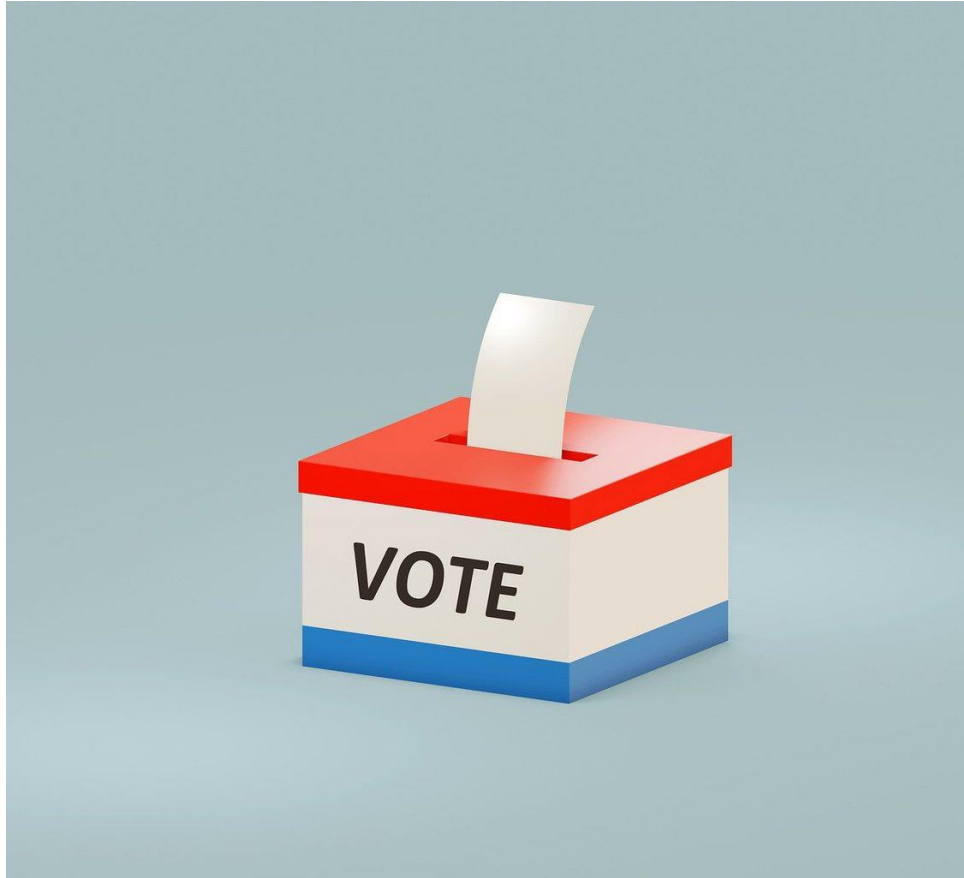

You can vote in person early, on election day or by mail. My tradition is to vote on election day and often times as the first person at my precinct. Early voting ends this week. Please

use the links below for your specific county times and locations. Election day is November 8th!

Lowest Unemployment in History!

Did you know Georgia has the lowest unemployment rate in history at 2.8%?

Governor Brian Kemp opened up Georgia for business and we continue to support policies which create jobs and opportunities. As Ronald Reagan said it best, "the best social program is a job"!

Supporting Police, Fire, EMS, 911 & Veterans

We live in the land of the free, because we are the home of the brave!

October 28th was National First Responders Day. For generations my family has served as first responders, and it is an honor to serve! Please take a moment to thank our Police, Fire, EMS & 911 patriots.

November 11th is Veterans Day to honor our military heroes. We honor their service and sacrifice to our nation. Please thank our veterans!
