

Summer 2023 Newsletter

Summer has arrived and the work to keep Georgia the #1 place to live, work, play, and raise a family continues. Our 2023 legislative session was an overwhelming success, and I am proud to serve you. As a reminder, this is the first of a two-year process. All bills not passed will still be active when we return in January of 2024.

July 21st is a very special day for me and my son Will. It will be the 2nd anniversary of our surgery for me donating my kidney to him. I am thrilled to report he is healed, and we are both doing great. After passing the Giving the Gift of Life Act in Georgia, we are now working on similar bills in other states as well as federally in Washington.

I was honored to be named the Chairman for Senate Resolution 275 and created a study committee focusing on expanding Georgia's workforce. I am thankful to Lt. Governor Burt Jones for my appointment. You can learn more about the committee by clicking on this [link](#).

Another important study committee I will serve on this year will review our state tax policy, credits, and exemptions. I passed Senate Bill 6 in 2022, to assure the state measures credits to assure a proper return on investment "ROI" was achieved for your state tax dollars. This committee will dig deeper by also analyzing policy, oversight, and management.

Election integrity is paramount, and we need to assure safe and secure elections. In 2021, we passed SB 202 and then named the #1 state for election integrity. The elections in 2021 and 2022 saw record turnouts and results. I will continue to work with state and local elections officials on this important issue.

SEN. JOHN ALBERS CONDEMNS ANTISEMITIC COBB COUNTY PROTEST

Senate Committee on Public Safety Chairman Sen. John Albers (R – Roswell) released the following statement in response to actions taken by Neo-Nazi activists over the weekend outside of a Cobb County Synagogue: “It is disheartening to see that in today’s day and age, we are still dealing with the issue of antisemitism. In the last year, faceless cowards have left hateful leaflets in neighborhoods, painted swastikas on walls, sent threatening messages and made awful and disparaging comments throughout our state. These acts are unconscionable and some criminal,” said Sen. Albers.

“On June 24th, activists proceeded to demonstrate derogatory acts such as holding up Nazi flags in front of the Chabad of Cobb, a Jewish synagogue within my district that I am proud to represent. I stand fully behind Rabbi Silverman, his congregation, and the Jewish people everywhere. Both my grandfathers served in the US Army and helped defeat the Nazis in World War II. I will proudly continue their work now to ensure that all Georgians are able to live in peace. As the Senate Chairman of Public

Safety, I am diligently working with our local, state, and federal counterparts to assure any criminal activity is pursued to the fullest extent of the law.

I am asking you to join me today in locking arms to denounce these terrible people and work together to ensure safety, support, and liberty in our land for all who choose to call Georgia home.”
